CRUISING FOR CARTER

Dear *FOX*: Carter Cruise, what a babe! When I saw her on the cover my heart stopped and my dick throbbed. I bought two copies of that issue then ran home to give myself a tug job. I get a bit of a naughty vibe from that one. Is she, perchance, just a wee bit kinky? My instincts say she is and my instincts are never wrong regarding serious matters such as BDSM. Oh how I would love fair Carter Cruise to strap one on and take me from behind. I would suck her prick so good...and suck her fat clit right after. She looks just like a cheerleader that ignored me all through high school. Tracey Scott, where are you? I used

to stare at her during chem class and then when I went home I'd meat my meat raw to the thought of her tying me up and fucking my brains out under the bleachers in the gym. Carter Cruise can tie me up and fuck my brains out wherever she wants, I am at her cummand! God she sure is a babe though. —Chuck in NJ via email

A LITTLE LOOSE

Dear *FOX Magazine*: I have always had a thing for chicks in glasses. Don't ask me why. They just look smart. Yeah, I know, I know just because a chick wears glasses doesn't mean she is more or less intelligent than anyone else. But I can't help it. And

then if a chick in glasses is also a little loose? Are you kidding me? Smart AND slutty? Well, that makes me damn near lose my mind. Take that Tia Cyrus, for example. Now THAT'S what I'm talking about! Gorgeous, wearing the smartest pair of glasses ever made PLUS she sucks cock like there's no tomorrow. I need to land me a chick exactly like Tia Cyrus. I mean, assuming that Tia Cyrus herself is already spoken for. If not, I'd much rather have the real deal. —Jud24 via email

PUTTING THE D IN DEE

Dear *FOX*: In reference to Miss Sophie Dee I've got two words—HOLY SHIT. Sophie D indeed. My

boobdar says she's sporting closer to DD. What a stone cold fox that one is. My sly salamander has had his one runny eye on her for quite some time now. She could give me wood forever. I mean, fuck Viagra man, gimme a peep at Sophie's Ds and boing! I'm fucking nutso for the darker hair color, there is something about blue eyes and dark hair that does it for me. Blue eyes, fat juicy tits AND long dark hair—HOLY SHIT. I can't not jerk off on her adorable face when it peers up at me from the pages of a jack rag. Especially when her adorable little cheek is packed full of cock like an oversexed chipmunk. And have I mentioned her rack? Ho-lee shit, I am smitten. —*Rod in TN*

HER HOLIEST HOLE

Dear *FOX*: I love porn but I've got a problem...a part of me can't stand seeing the women I adore getting their brains fucked out by strapping men who look more like action figures than real human beings. Yet on the other hand, that is exactly why I love porn as much as I do—so I can witness every

gory detail involved when a hot woman I am attracted to gets fucked senseless by a well-endowed beast of a man. I am torn apart inside every time I see that beautiful angel Sophie Dee open her heavenly legs to grant some behemoth with a boner access to her holiest hole, a behemoth who probably doesn't give one fig about her and thinks of her as a task he must complete at work. It kills me! And turns me on like nothing else! I can't tell you the amount of times I have jacked one handed so that I could clamp my other hand across my eyes to shield myself from the carnal horror spread out before me. I tell you, this is a doozie. —*Danny in NC*

THAT SPECIAL HOLLOW

Dear *FOX*: The most erotic place on a woman, to me, is the soft skin on the inside of her elbow. It's a place of remarkable sensitivity, one that is especially nice to kiss and lick and it has such a delightful scent. If there's one thing I can't stand, it's a woman with fat upper arms. I see women on the bus all the time with big, wobbly, fleshy disasters of

arms and it makes me ill, imagining all the sweat and funk pooling up into that special hollow that, on a better woman (one with slender arms) is truly the place beyond all places. I'd like to extend a heartfelt thank you, *FOX* for steering clear of fat arms in your publication. —*Dean in OH*

THE OFFICE KITTYMAN

Hello! I've been a reader of *FOX* for years and think the women look great. Most of the women I pass in the office look good, too. Most of them will go out if their husbands will never find out. About all of my women have been and are in their 50s. They talk about me with each other. They say to me they will see if my stomach has that little wavy jerk just before I blow my love as they all seem to think it does. I am the office Kittyman, I find that if you do not brag about the women you take out so no one will find out, women will have sex with you more. Most have careers and family and wants no one to know. Just friendly advice for other readers who might want to try it. —*Kittyman in KY* 🐱

BROOKLYN LEE & MR. PETE

Bad ass B Brooklyn Lee elevates naughtiness to the next level. Don't let those pigtails and that plaid skirt fool you—she didn't learn to suck cock like that in no classroom. Those XXXtra special life skills were taught to her by a slew of private tutors, all hardcore dedicated to furthering her sex education. Thanks to that one-on-one attention, Brooklyn wound up cultivating an unquenchable thirst for carnal knowledge and an insatiable taste for baby batter. And so she lighted upon her life's path, with nipples hard, cum dribbling from the corners of her mouth, and her just-fucked snatch quaking with orgasmic bliss. Brooklyn loves boning so much that the smile never quite leaves her lovely face while she's in the thick of a shag, even when there's a nutsack nestled tight against her chin. What a woman! 🍆

PIKXX & ARTICLE BY JEFF HUBRIS

34063

It's Britney "Baby Whore" Amber's birthday. A barbecue grill has even been set up on the sidewalk outside the door to Immoral Studios for some vittles that are to be prepared later, much later. Miles and miles of fucking before we eat...food, that is. She's just arrived but Porno Dan is already busy plucking the stuffing out of his "girlfriend" Anna Morna in front of the webcam. Judging from this initial presentation, Anna is one hell of a lanky, dark-haired fuck machine. Super nice. She asks for a wand mid-fuck to apply to her clit while Dan plunges away and finishes up. Dan blows a load.

Brianna Brooks has also arrived and disrobes while Britney busies herself making refreshments at the Immoral Productions Official Porn Sink™. Anna breezes through the room naked and heads to the bathroom to clean up a bit. Ralph Long shows up, grabs her when she comes out and yells, "Hi, I'm a love doctor and I'm here to make love to his big beautiful booty baby!"

The start of another webcam show is quickly approaching and Anna's doing Ralph next. Britney and Dan are talking and mention that they were both divorced around the same time.

"There is nothing that turns me on more than a divorce story. I'll tell you that right now," Anna says in a southern drawl. "Nothing gets me hotter than a bad marriage. Give it to me, mama! Y'all need some fire in the bedroom? Invite me over!"

Can you give me a HELL, YES!!!!??? This Anna Morna is a tall and dangerous package of Gainesville, FL dynamite WOW Factor. Ralph holds her hair up and out of the way during the blowjob and then she climbs on cowgirl for Round 2. Anna is a very striking sex giver, my friends. Just fucking completely real and off the chain. You can't teach this shit. It's about love of the art. By the time she's done with Ralph, Britney Amber and Brianna Brooks have donned angel wings and have poured themselves drinks of what they are calling "fairy nectar".

"Hi everybody, I'm Britney "Baby Whore" Amber and welcome to my birthday show!" she says to the webcam.

The two blondes step up and along with Anna work over Ralph and, near the end, Dan for a lengthy trade-off session. Loads are blown again. Ralph drops his on Brianna's leg. Then Dan calls for a 13 minute break because "we're only human." There's still 43 minutes left to fill.

"I usually don't get this much dick in one day," drawls Anna. "It's a lot. It's a lot of dick. Yes, I am pussy drunk!"

"USA! USA! AMERICA! FUCK YEAH!" yells Britney to the web audience. It's time for another go-round and Porno Dan is leading the charge, enlisting the themes of patriotism with General George Patton style "take no prisoners" military terminology for this last assault, not forgetting to make the point that ice cream cake, pork chops and chicken hot off the grill await the survivors.

"I'm going to shag you all in mish side-by-side and then I'm going to cum!" Dan yells, possessed by the spirit of battle. "We keep going America! Don't worry! We keep going until the cum shot! Leave no one on the field! Go on and fuck like a champion!"

I ask Dan how many loads he's blown so far and he replies distractedly.

"Only three! I just keep going higher!" he screams. "You can't stop me, baby!"

ANNA MORNA: I'm a voyeur and I like to be watched fucking on camera. It's definitely hot for me. Everything gets me off. I like to get fucked hard, consistently and preferably while other girls are getting fucked too. I love watching other people have sex too because I am from a small town. I was pretty straight-edge but once I got a little taste I was just outrageous. But I fucked women for like five years before I lost my virginity to a guy. I wouldn't give the pussy up but I wanted to fuck every girl I saw. I actually lost my virginity to a strap-on. I'm a bad girl, I know. I can't help it. ...Both my parents know what I do and they're cool about it. I don't talk to them about it in detail. ...I get turned on when someone's significant other is watching because there is a special bond there that's hot too because you're not just pleasing that person you're also pleasing their spouse, assuming that their spouse enjoys them getting pleased. ...There is no monogamy anymore, I mean seriously why? I'm no homewrecker. I want y'all to keep it together. ...I feel like if I did kegels I wouldn't be able to fit anything in there. It's just natural and then when I cum it clenches and it doesn't help, or it does I don't know. I squeeze them out on the reg. We tease 'em and squeeze 'em around here.

BRITNEY AMBER: I've been in porno six years. ...I wasn't very attractive in high school and didn't have that many friends or anything. there was this little festival that my town has every year and I was there with one of my friends. There was this one boy that me and my friends always liked a lot. He was there drunk with his friends and he came up to me and he said, *I'm horny, let's go find a bush somewhere.* I was like, omigod he wants to fuck me and I was so flattered and excited about it. But it was a fair and there were no bushes anywhere so we found these little tents and there were a couple empty ones so we went behind one of those and there was this chain-link fence and people were walking by. ...Cowgirl gets me off the quickest. I can just get on top and I can control it. When I'm masturbating I have to watch crazy shit. I really like watching gay porn, like gay guys. Gangbangs. I like to watch like a bunch of black guys gang rape little white boys. That's hot. That gets me off. I like young boys. 18+ of course. ...I am happy with the way things are going now for sure.

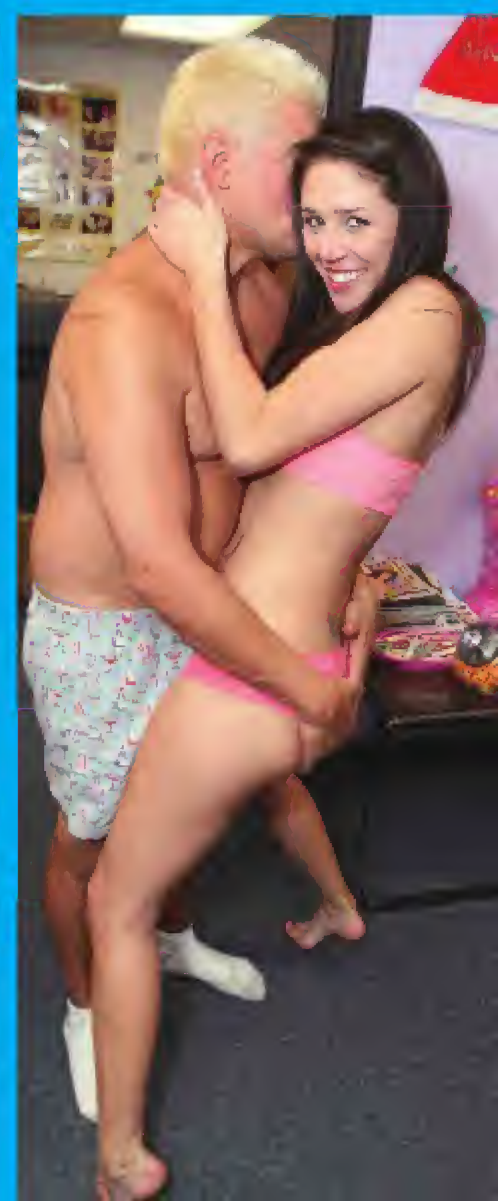

BRIANNA BROOKS: I'm from Southern California, around Riverside. I think I was sort of subdued and then the webcam that I did really started bringing it out. I had been kind of crazy but it was hidden. I like being free. I like being naked. I like sex in general, it really gets me off. I love it when the guys are into me. That's what gets me off. Like the touching, the touching all over. When someone is really into me, even if it's not the person I would typically be attracted to. It changes my whole mindset because this is the person that is really wanting me and it makes me really horny. I masturbate everyday. Usually I have a Hitachi. Oh, that is amazing. 30 seconds or less. It's amazing. Before the Hitachi I had just a regular vibrator or I would use my fingers. ...I don't do anal but everybody loves my butt and they want me to do it. Maybe one day, but not today. I'll work up to it. ...The beginning was very odd. It was more anxiety and being nervous about what was supposed to happen and how it is going to go and what I was supposed to do. It slowly progressed to you just being you and enjoy it. Now I'm completely comfortable in my skin and I love it.

Perhaps no one in history of porn, or most likely even in the history of the universe, has analyzed the bizarre occurrence of Porno Dan to the extent that I have. This is a dubious, pathetic admission and says something ridiculous about myself, and the precious time I have squandered in the oxymoronic field of porn journalism, trying to make chicken soup out of chicken shit. It's even a waste of time wishing that I had that time back, because time spent analyzing Porno Dan was worthless before it happened in the first place and the universe is about to end anyway.

If all permutations of thought and action have already happened an infinite number of times in the infinite amounts of universes that quantum theoreticians say exist, I have it on good authority that the occurrence of Porno Dan has fucked up the energetic fabric of time and is an existentially singular experience specific only to the abberant time/space continuum of Chatsworth, California. A reality arc all it's own. No beings in any other universes would believe or care anyway. I can't theorize about this any more. I could go on forever talking about nothing trying to understand the anomaly of Porno Dan. I know now that I am insane. Porno Dan has caused this. I have to go now because I'm losing it. Bye. 🐱

Bonnie Rotten

"You'll never make it big. You're too heavily tattooed. You'll never be a 'star.'" These are just some of the things Bonnie Rotten was told upon entering the adult industry. Shows what her detractors know...the 2013 AVN "Female Performer of the Year" proved them ALL wrong, pumping out incredible, jaw-dropping performances time and time again on her way to porn superstardom. I will admit, I've never been a huge fan of girls that are extremely tatted up, especially in certain areas. Bonnie Rotten changed all of that for me, and certainly for countless others of a similar opinion. She broke the mold of the heavily tattooed girl stereotype, proving that not only is she deserving of her many "tat" themed awards, but also one of the sexiest women alive, regardless of genre. Her potential popularity has no ceiling, and her 165K+ Twitter followers can attest to that fact. Despite her outrageous schedule, Bonnie was gracious enough to sit down and chat with me for a few minutes about her whirlwind experience.

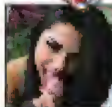

@Gabriel_Lan: Have you ever had a tattoo covered up? Any that you've regretted getting?

@thebonnierotten: Yes, I've had many cover ups. No regrets, really. Once you're heavily tattooed, you're heavily tattooed, haha.

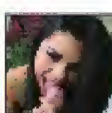

@Gabriel_Lan: Which one or ones were the most painful?

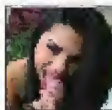

@thebonnierotten: The tattoo on my ribs—"Dead Girls Don't Cry"—was the most painful.

@Gabriel_Lan: It's well-documented that you are a huge Oakland Raiders fan. Attend games very often? Ever as part of the "Black Hole" crazies? LoL

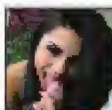

@thebonnierotten: I did go to the opening game last year, but I have not been to another game since. But, I am looking forward to going to a couple of games this year.

@thebonnierotten: Yeah, I did go as part of the "Black Hole." I rode the train; I didn't sit in it, but I saw it.

@Gabriel_Lan: Do you have ANY Raiders on your fantasy football team? This will give me an indication of how well you did this past year lol

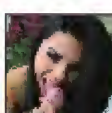

@thebonnierotten: Yes, the kicker. And later in the season, I picked up WR Denarius Moore.

@Gabriel_Lan: How did you become such a fantasy football geek, anyway? You're really into it, aren't you?

@Gabriel_Lan: Totally not judging, obtw...I am a fantasy football geek myself LoL

@thebonnierotten: Actually, they do a porn star fantasy league every year. I didn't know much about fantasy football at first, but then I became addicted.

@Gabriel_Lan: Are you a big sports fan in general, or mostly just the NFL?

@thebonnierotten: NFL only.

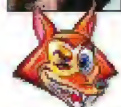

@Gabriel_Lan: Are you originally from the (San Francisco) Bay area? What do you like most about that region? What is the worst part of it?

@thebonnierotten: I'm from Cincinnati, OH, lol. :)

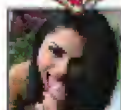

@Gabriel_Lan: Do you have any other nerdy/geeky hobbies or interests?

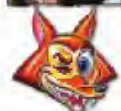

@thebonnierotten: No, not too many really. I shoot and work on my projects for my movies too much.

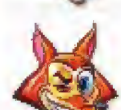

@Gabriel_Lan: Were you stripping before entering porn?

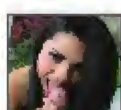

@thebonnierotten: Yes, I danced for almost a year before getting into porn.

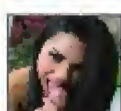

@Gabriel_Lan: How much of an effect do you think that has on your "on camera" popularity?

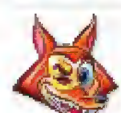

@Gabriel_Lan: Or how about the reverse, does your "on camera" play a big role in the crowds that show up at local clubs when you're in town?

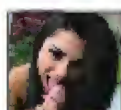

@thebonnierotten: Yes, you definitely have to have an on-screen presence to maximize the turnout at the club.

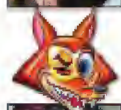

@thebonnierotten: I also feel that going on the road keeps you personal with your fans so it creates demand for your videos and your product.

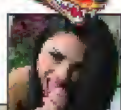

@Gabriel_Lan: What are some of the areas of the country where you felt more of the love? Any areas you haven't been to yet that you're hoping to hit?

@thebonnierotten: Pennsylvania is definitely a huge state for me. I haven't been to Texas yet. I really want to dance in Texas.

@Gabriel_Lan: Do you ever have sex with girls in your private life? Ever dated another girl?

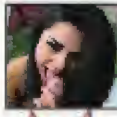

@thebonnierotten: Yes, I do and yes I have.

@Gabriel_Lan: Your anal prowess is at "top of the mountain" status. What do you do to prepare for anal? Is it something you enjoy in your personal life?

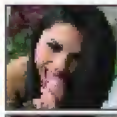

@thebonnierotten: I usually clean out the night before and the day of. Yes, I do enjoy anal in my personal life.

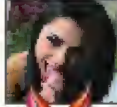

@Gabriel_Lan: Speaking of personal life, when was the last time you went on an actual "date?"

@Gabriel_Lan: Does entering a relationship ever even cross your mind at this current stage in your life?

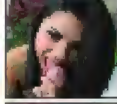

@thebonnierotten: It's been awhile since I've been on an actual date. But as of right now, I'm not interested in having a relationship.

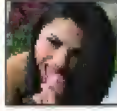

@thebonnierotten: I have a lot going on with my career.

@Gabriel_Lan: Your schedule is really crazy right now, isn't it?

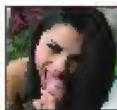

@thebonnierotten: Yes! I was stuck on set for 12 hours yesterday.

@thebonnierotten: Between traveling and working and flying all over, I'm basically booked up in life and work.

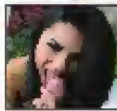

@Gabriel_Lan: You were nominated for countless awards this past year. How gratifying is that sort of recognition when you think about your initial decision to enter the adult industry?

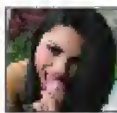

@thebonnierotten: It's an amazing feeling, because I was told from the beginning that I would never be able to shoot or become a porn star in this industry.

@Gabriel_Lan: What, in your opinion, were some of the key factors in your explosion in popularity this year?

@thebonnierotten: PR is very important. Plus putting forth tremendous effort.

@thebonnierotten: As well as giving a performance that not only the other performer doesn't forget, and the viewer, but also the director and the crew.

@Gabriel_Lan: Did you ever hope or dream of something like that? Did you ever dream about winning Grammys or Oscars...things like that?

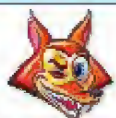

@thebonnierotten: Every girl dreams of winning a big award. Of course! :)

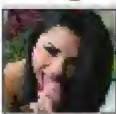

@Gabriel_Lan: Unlike sometimes with past winners, no one can say you didn't deserve your "Female Performer of the Year" AVN in my opinion.

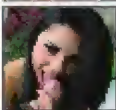

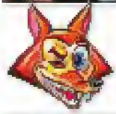

@Gabriel_Lan: It was definitely "earned on the field" lol. How surprised were you?

@thebonnierotten: I had a lot of people telling me that they thought I was going to win, but I did not depend on it.

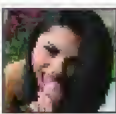

@thebonnierotten: I felt there were other girls who were just as deserving.

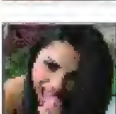

@Gabriel_Lan: In addition to your many accolades received for 2013, you were also an award winner in this very magazine.

@Gabriel_Lan: You took home 6 total Spank Bank Awards, including "The New Definition Of Sexy." What do you consider "sexy?" Do you consider yourself sexy?

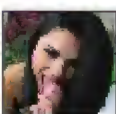

@thebonnierotten: Thank you for that, that's so exciting! I am so honored.

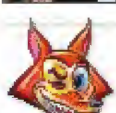

@thebonnierotten: I consider strong, independent, caring women sexy. I am pretty confident, so yeah, I do believe that I am sexy.

@Gabriel_Lan: You really had a huge year. How do you plan on topping it? Can you top it?

@thebonnierotten: Oh, I'm going to top it. ;) Well, as you may know, I opened my production company Mental Beauty earlier this year.

@thebonnierotten: So I am going to be able to do a lot of very kinky things this year.

@thebonnierotten: Along with being named Squirt Woman by Elegant Angel, I have lots of fun projects planned already.

@Gabriel_Lan: I, for one, am looking forward to seeing what you do next. Thanks again for giving me a little of your time.

DIRECTOR
TIM VON SWINE

SLUT 'N' PUPPET
LAELA PRYCE, SEAN MICHAELS

PIXXX & ARTICLE BY JEFF HUBRIS

34059

There is a lack of quality control in the porno industry. Many think that the act of penetration and blowing a load is all you need, but lest we forget, this is art. Art is a pursuit. In an act of porno serendipity, heavyweight director Tim Von Swine has already been able to pre-screen blonde sex freak Laela Pryce for her dedication and native talents pertaining to fucking.

"It's rare that I book someone off of photos because people refer chicks all the time," he says. "I was looking around and I saw her at Foxxx Modeling and I saw something else so I took a chance on her for a POV. She was amazing. Just blew the doors off. We connected right away and the fooling around during photos was really on. She enjoyed the dick. I got in and I'm like oh man this is buttery. And she wasn't running or pretending and she was like YEAH, HIT IT! I'm like, 'Winning! This is rock 'n' roll HEAVEN!'"

Known for his leading man abilities and erudite approach, porn gentleman Sean Michaels has been brought in to MAKE LOVE to both of Laela's lower openings today. They talk about the scope of porn time compared to actual human time and how Michaels still pulls it all off after having started in '89.

"That's two years before I was born," laughs Laela.

Michaels asks Swine about any scene requirements.

"Just have a good time and make sure it goes up her ass," Swine answers.

Laela Pryce is porno resplendent, having just slipped into a see-through fishnet top and pink bikini bottoms. Michaels is verklempt with gratitude and says to Swine, "I need to thank you bro!"

Swine tells her to get her butt plug and have some lube on it so it's ready to go. He shoots a tease and then says to Michaels, "I'm going to have you come in with the butt plug in her ass, then you're going to take her into the other room. You guys come walking in and it'll be off to the races."

Swine rolls video and after a complete butt plug/ass inspection a BJ happens. She climbs on in cowgirl and Swine tells her to go straight to "A" from spoon. All porno hell breaks loose for about another thirty or so minutes. Laela is dominantly submissive and completely dedicated to fucking and being fucked. It's refreshing.

LAELA PRYCE: I've been in porn for about eleven months. I was an exotic dancer for a couple years and, it's funny, I had an odd amount of jobs after I got out of high school. I worked as a Hooters girl for a month and I hated it. It was the worst job ever. My boss was an asshole and the girls were mean. When I was a dancer I loved it. ...I've always had these crazy fantasies that I've wanted to live out. I've always wanted to do anal, I've always wanted to do threeways, a gangbang, and I enjoy having threesomes and orgies. I did threesomes rarely in the past, not because I didn't want to do more, but because the people I was having sex with were so vanilla, they just weren't into it. There was only one time I did a threesome with two guys, because you know how guys are, they want the girl for themselves, or they don't want their dick so close to another guy's dick and some guys just don't give a shit. I've had threesomes with a guy and a girl, and two girls at one point, and so I have always wanted to do all this crazy stuff but I couldn't, because everybody would say, *Oh, that's disgusting!* So when I got down to Florida my world opened up, it was amazing. ...I do practically everything now, and I love it. I had anal sex only once before I starting working in porn, and I hated it. I was eighteen and the guy just started ramming it in me, and it was the worst pain ever, and I thought, fuck this, I'm never doing anal again. But after I started working in porn, I began to play around with it, and now I love it. I lost my anal virginity on camera. I really love anal, but it has to be done right. If it's done right, it's the most amazing feeling in the world. But if the guy doesn't know what he's doing, it's not going to go well. It's really all about the guy. I think every girl can have anal sex, it just depends on how the guy does it. ...I also love doing DPs, they're a lot of fun. They're really not that hard and are actually way easier than people think, and I really love the feeling. I did my first official DP, my first DP ever, for Elegant Angel and it was great. There are really only two positions you can do, there's cowgirl and then there's reverse cowgirl. There's no better feeling than having a dick in your pussy and a dick up your ass at the same time. But you have to do them with people who know how to work together. ...I'd have to say my three favorite sex acts are anal, DPs and giving sloppy blowjobs. What really gets me off is when a guy fucks me doggy-style, either vaginal or anal, and I cum both ways. Doggy is definitely my favorite position. I actually get off on giving a guy a really sloppy blowjob and he cums all over me, that really gets me off too. I love cum shots, I just dive right in for the dick. I open wide and play with the cum, and swallow it and then spit it back up. Also I love it when a guy licks my ass. I really like that shit, when a guy is tongue-fucking my asshole I go crazy, it's amazing!

LAELA: When I get myself off, I like to have a butt plug in my ass and a vibrator, and I'll finger my pussy, and I'll think in my head who I'm fucking, like about fucking a guy that I had sex with years ago, or a guy that I just did a scene with, or I'll think about a chick. I don't really do too much girl-girl, I just don't get booked for that unless it's a girl-girl anal scene. But I do like girls too, but with girls it's more of a personality thing. So anyway, I'll take a big dildo and shove it up my ass, I do a lot of anal masturbation, more than vaginal. I just love anal penetration. I have a really tight pussy, and there are some guys I can't have sex with 'cause their dick is too thick. To me thickness, not length, is an issue for me, because my pussy is so tight. Your asshole can stretch out, but your pussy, not so much. So when a guy fucks me I'd much rather have it in my ass than my pussy, 'cause it feels so much better to me, especially if a guy is big. ..I'm twenty-two now, but I was crazy sexually back in high school too. I had really strict parents, so I was kind of hidden, but I would sneak out and go to parties. Unfortunately like I said, everyone was just so vanilla though. I was at this one party and this guy was fucking with me, and he dared me to give him a blow job, right there in front of everybody. So I said alright, got down on my knees, took out his dick and started blowing him. Everybody was going crazy! He was totally shocked, so then we went into another room and fucked. After that party, I took so much shit. People would say, *Omigod you're such a slut!* And I'd say, you're just jealous, 'cause you don't have the balls to do what I fucking do! ...I have some favorite sex toys, I have two wands, one is little, it's little and pink and has rhinestones on it and I like to rub my clit with it, and I also have a big black wand that I bought in some adult store in Vegas, it's pretty cool.

LAELA: I think my parents know that I'm in the porn industry, but I'm not sure. I don't think that they would really care, I think that they would just worry about my health, because they're afraid of HIV and other STDs. But what they don't know is that HIV is really hard to catch, it's extremely hard to get. It's not that contagious. If it were, there would be a lot more outbreaks, especially in porn. ...I'm going to perform for as long as I can, and then eventually I'd like to get into directing for some large production company. In the near future I'm going to start shooting content for my website, which isn't up yet, but will be in about a year or so. I have a lot of ideas about things I want to shoot, that's why I think I'll be a good director. I really love this business, I dove right in and I'm not going anywhere soon! ...I love anal sex, the only downside is that you can't eat for less than 24 hours before it. I actually did an anal scene yesterday. I was in Laguna Beach and I was hanging out with a friend and I was having breakfast with her and her boyfriend and I got a call from my agent. He wanted me in the Valley in two hours to do an anal scene. I'm like, shit, I just ate an apple and an English muffin and I had seafood pasta the night before and I'm like, shit, am I going to be all right? But everything came out smoothly. ...Women are built way different from each other. The hips, everything. The big trend is for little tiny girls to take big, huge cocks. You know a director told me why there are so many tiny girls that can do that. It's because smaller girls have bigger vaginas than tall girls. With really big cock size, I can eventually work up to it but generally I prefer to work with guys that are longer. With thickness there is a limit. ...I don't understand it, how could someone not like sex? If you're in porn you should like what you do. I get that everyone's different. I would love to work with Sean again. He was really nice and he knows what he is doing. I really don't care about looks, I just care about the way the guy fucks me. ...If a guy is big my ass is better.

"You are killing," Swine says to her when it's time to figure out the pop. "You're always shining for us." He asks if she swallows. Affirmative. No surprise there. "Just fuck it, man!" he says to Michaels. "Get it in her face and get it in her mouth. Just give her the fucking sprinkler!"

Michaels indicates that he's not far away, telling Swine, "I don't really need more than a minute."

Time sensitive pop protocol is in effect but there's no stress. Swine answers immediately: "If you want to give me a minute or two minutes that's fine. I'm not going to complain. However you want to set her up. We can burn tape, bitch!"

A huge load is delivered, very much on time. These are professional porn people.

"You can't talk after a pop like that," Swine cries out. "It's like you get hit with stupid serum or something. You haven't shot a donkey wad like that since 1994! Oh my god, what have you done to this man! Bravo!"

Laela takes some credit for motivating an auspiciously copious cum blast to the point where a more in depth discussion of the orally received fluid stream trajectory is in order. "The pop shot projectile went in and over her tongue," Michaels says quietly, "It was like being at home, I love my job."

Laela's eyes have the steely glare of one who is selfless about her sexual imperative and she speaks of her proclivities with a voice that is direct and sincere. "I really love public sex," she says unreservedly, "I'm an exhibitionist. That's why I got in this business, I'm a nympho. Sex is the ultimate high for me and I definitely consider myself to be a sex addict also, because I just can't get enough sex. I masturbate probably ten times a day, even after a scene, I'll just go home and masturbate."

God bless porno as an employment receptacle for those for whom sex is not a hobby or even a regularly occurring physical need, but a constant within life and living itself. Laela Pryce has found the right business. "I don't consider this work," she says solidly, "I really don't. This is what I love to do. I love to fuck!" 🐱

TASHA
REIGN
& ERUCE

If you pop a chub when a chick chooses to keep on a really incredible pair of kicks while she does the nasty, you should relax because it does not necessarily mean that you're some sort of freaky shoe fetishist. In fact, if the scenario involves orgasm queen Tasha Reign getting her brains balled out while her pretty gams are encased in lush, fawn-colored thigh high suede boots you'd better be as hard as a hundred year oak or else you might want to check your pulse. In addition to giving her more height and probably matching her purse, those boots serve the purpose of making her look more naked than if she were just traipsing around in her birthday suit unshod. Thus her dirty tangle with Bruce seems oh-so-much dirtier. And he certainly has no hang-ups about the whole shoe issue, as evidenced by the size of his load. Let's hope Tasha can gobble it all down before it drips—suede can be such a bitch to clean. 🐾

HANNA LAY
DOES SPIZOO

THE SPIZOO NETWORK
PERVERTEDCOLLEGE.COM

DIRECTOR
RALPH LONG

SLUTS 'N' PUPPET
HANNA LAY, NICK MANNING

PIXXX & ARTICLE BY JEFF HUBRIS

34060

This is so great. Nick Manning, AVN Hall of Fame inductee (2014) of "Droppin' Loads" fame is here to have sex with Hanna Lay, a 21-year-old newbie from North Carolina. She'll be a cheerleader who needs help practicing her cheers and Nick will be the team mascot.

The elegantly coiffed and scrubbed down Manning, in the style of a true Hollywood matinee idol, struts around the very prime Spizoo Network Studios in a bath robe like John Barrymore between scenes in *Grand Hotel*. No one else in porno ever brings their own robe to enhance the quality of their pre-scene chill time. Being privy to a pre-performance performance like this is a welcome change from the down low, cursory, mind-numbing hangout usually in evidence, leading up to the romantic interlude. Wow! showbiz! Very impressive.

"The cheerleader is going to be doing her little routine and needs help with her practice," director Ralph Long laughs. "Then I'll do the special effect and he is gonna come crashing in like the fucking Kool-Aid man, yelling, I'M BEER MAN! I CAN HELP YOU PRACTICE!"

Since there is no actual beer laying around anywhere, I'm willing to wager that this beer idea is conceptual rather than practical because porn set inebriants are for the most part always very evident from the get-go. I'm right, again. Manning has been provided a blue, superhero style "beer man" costume and makes his entrance complete with goggles (beer goggles—DUH!), hereby completing the transformation from elegantly turned out "actor in preparation" to an absurdist porno comic-book character.

"We're here with the great Nick Manning today," Long mocks. "Yes, bring your A-game!"

Manning plays along: "You are here with Nick Manning today. There's no fucking around!"

Hanna mentions her relative youth and her newness to "the industry."

"You have no idea!" Manning bellows. "When you were two, I was DROPPIN' LOADS!"

Long rolls video and Manning seizes the Beer Man persona. Porn thespianism is in full effect. A BJ ensues and a challenge is issued: "I'm getting out of my fucking shoes and we're going to get it on!" says Beer Man to Hanna Lay. "This is not a first time situation either. I do this often! Have you ever been with a mascot?"

She's verklempt and excited! "No," she answers reticently. "I've never been with a mascot!"

Beer Man is triumphant! Again!

"Then get on your knees and polish my helmet!"

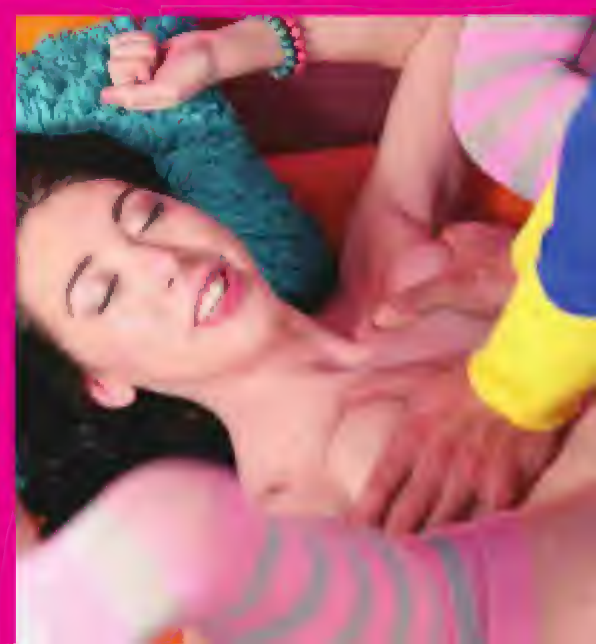

HANNA LAY: I'm part Irish and part American Indian and I'm from North Carolina. I've been doing porn since last August. I didn't have a wild sex life before porn, and I still don't have a wild sex life. This is the wildest that it gets. I wasn't super crazy boy-wise in high school, but I wasn't very school-oriented either. I quit when I was eighteen but then went back and graduated. ...Yesterday we did an orgy shoot, and I thought it was just going to be like a regular orgy scene, where you're just with one other guy, and all the other girls and guys are also with just one other person, but it wasn't like that. It was supposedly like a big gangbang, and we all fucked each other. And it was hard, because it was very long and strenuous. Considering the stress my pussy has been under all year, I think it's doing pretty damned good! It hurts a little bit right now, but that's just because I'm not used to fucking five guys at once. And I've done a scene today with James Deen already, and then I'm doing another one in a little while. James is great, he's like my porn crush, he's the background picture on my text messages! ...Before porn, my sex life was not very exciting. I'd hook up with people every once in awhile, but I never had a steady boyfriend or anybody that I got it on with all the time. Everybody back home knows I do porn, and there are a lot of guys that I used to know who message me now on Facebook and say, *Hey, we should hang out sometime...* And I think, I know what you want!

HANNA: I love sex, I just don't focus everything around sex. With some of the girls I know, that's all they're about, but I'm not super, super sexual. I don't do anal. I tried it once in my personal life and it just was not my cup of tea, at all! ...It takes a lot to get me off. I love my Hitachi more than anything, and I think that's why. No other toy really does anything for me. ...I don't take initiative. I'm not a very dominant person, but if someone says, *Do this! Do that!* Then I think, *Okay!* I like to be the submissive one. I'm not aggressive, at all. If someone calls me a whore while they're fucking me, right then and there, I'm okay with it. But things are different in the porn business than they are in real life. It's difficult to find somebody that does what just happened in my scene, and sometimes I want to fuck like that in real life. If I really get into it, everything's great. ...The way I got into porn was that I was recruited into it and my dad also talked me into it as well. He didn't tell me I had to do it, but he made it apparent that he wanted me to. It was mainly about the money at first but then, once I did it, I thought, *I like doing this, it's fun!* So I've kept on doing it. ...I've been coming out west for a week or two weeks at a time. I think if I lived out here and was doing porn 24/7, I'd be over it already. But this way, since I'm only on the west coast once a month, it's fun. It's both work and fun. I sure hope that my dad doesn't watch my stuff though!

Hanna gets railed, leaving her knee length pink socks on for the duration. For the pop she hits her knees and takes a facial cumblast. Legends run wild! Porno memories are still being made! Nick Manning is still DROPPIN' LOADS!

Hanna Lay is a true, southern girl with a strong accent, recently arrived in L.A. from North Carolina.

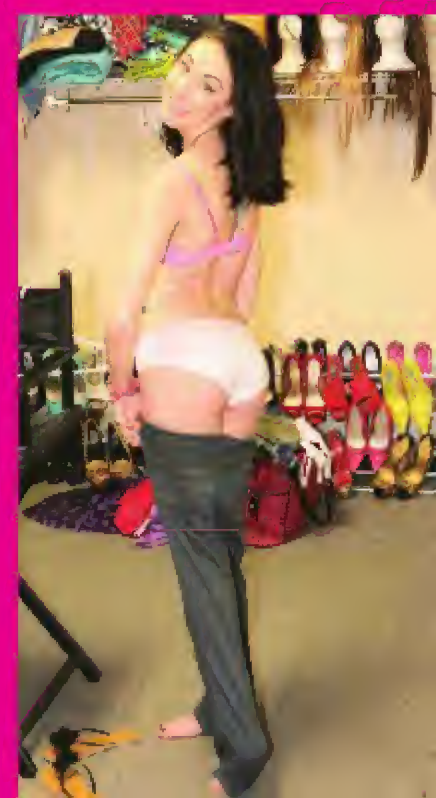

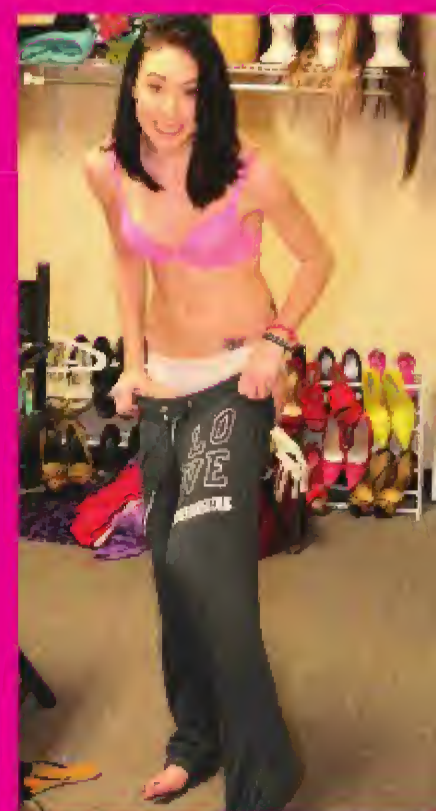

"When I first started doing porn, it was really different, it was very awkward," she says. "But after I did my first or second scene, I thought, *Hmmm! It's easy, it's different and not a lot of people I know do it!* My first scene was shot POV style, so it was just one guy. And I just felt like I was having sex with him, it didn't feel like I was videotaping but once I watched the video, it was a whole different story. I don't like to watch myself on film, just like some movie stars who don't like to watch their work on film either!"

Perhaps not since the appearance of the great Sunny Lane, whose fam was always part of her whole milieu, has a starlet been privy to the same unconditional support from mom and dad, barring the occasional episode of departure time hesitancy.

"My dad and my stepmom were in there going, *You really need to go to the airport!* and I really didn't want to," she recalls. "I was nervous. But they talked me into it and I'm really glad they did!"

Alternative vocational paths emerge unsuspectingly in a changing, job-strapped world. Being a nine to fiver sux anyway. Follow your bliss and doors will open where there were no doors before.

"I really love what I do," she says sincerely, "I don't want to wake up and dread going to work. I would never want a job like that. I don't want to be like the rest of America, I want to be different, and I want to have fun!" 🐱
